

## 100 Ways to Minister

by Eddie Smith

Everyone is called to minister...not just those who preach. Use this as a tool to see where you can invest your time, gifts, and abilities. Realize that teenagers and young adults are the church of today, not just the church of tomorrow. There are many opportunities for you to serve the Lord. Start by looking in your church bulletin for opportunities to serve or by talking to your pastor or youth pastor. We guarantee your pastor or youth pastor can find something for you to do that matches with your gifts, talents, and abilities.

Use this list as a tool to help you find ministry opportunities and then talk to your pastor or youth pastor about available opportunities.
